OPENER - PAUL DEBOY ENTERS THE LOCKER ROOM.

PAUL

Hi and welcome to Locker Room.
Today I am totally stoked, because
I'm going to have some super cute
straight boys staying over in the
locker room. They're a bunch of
Art School Nihilists who lived down
the street. I would always see
them hanging out on their front
steps drinking beer with their
shirts off and talking about
Performance Art and how stupid
everything is. Their landlord just
kicked them out, so I told them
they could crash over here for a
while. It's like getting a whole
bunch of Harmony Korine's for the
price of one! Oh, I think I hear
them coming.

Four cute Art School NIHILISTS arrive. One of them is
shirtless and the other three are wearing tight fitting
wifebeaters. They are all in their early twenties and are
dressed in drab colours - blacks and greens, with combat
boots or sneakers.

PAUL (CONT'D)

Hey guys. Come on in. Make
yourselves at home.

NIHILIST #1

Hey man. Thanks for lettin' us
crash here.

NIHILIST #2

This place is hilarious. Check out
all this sports crap.

NIHILIST #3

(sarcastic)

Yeah, sports. Real cool. We all
love sports.

They all grumble a laugh. PAUL looks at the camera.

Finally, some straight boys who
think sports are as gay as I do!
And they're all gorgeous!
